### **FartPart Features Key:**

Gives details on what a player's part is

Why a player is playing this part

What strategies are required to win this part

Adjusts the difficulty level for different players. Set a different keyboard for a more challenging game. Or set it to cater for players with limited knowledge and lower difficulty settings.

Customizable.

Gives a point score for each play session

Shows all players' progress over a particular play session, and the difficulty level chosen by each of them. It also shows the ranking of the highest scorer (always the player owning the keyboard)

### **FartPart Game Block features:**

- Cater for all players with different abilities. It is set to give the same amount of detail for each player regardless of their ability. If you know this game does not take too much time, then set it to a higher difficulty level and enjoy the game as a conversation starter or trivia game at parties.
- Operates offline. The web version requires an internet connection to show all the player's scores.

### **FartPart Game Keyboard:**

- Auto-scroll. The game page always auto scrolls to the lower level of difficulty or the next part of the game, whatever the player is at.

## **How to play FartPart**

Choose a keyboard and take it up to 12 people. Each player has a time limit of 5 minutes to play as many Farts as possible. The player with the highest score wins! Each time a play session ends there is a 1 minute penalty. After that you start with a fresh game.

**Hint: If you are not successful within a 1 minute stop, try again after 5 minutes and start playing immediately.**

To adjust the game difficulty, click on the blue menu button in the top left corner of the game page.
