What is a roleplaying game? ■ A roleplaying game is a game in which you get to control the character that represents you. The player's decisions affect the story, and each decision has consequences. ■ It features a novel setting such as an epic mythological world, and is packed with heavy emotions. What is Fantasy-Action? This is a fantasy RPG that lets you enjoy online battles and FPS-type games while being immersed in a dramatic roleplaying game. What can I do? This fantasy RPG features an epic drama, online battles, and an action RPG environment where you can enjoy combat. Take on various quests and challenge people around the world in the online mode, then enjoy the action RPG gameplay in a variety of situations. The Story Armed with the "Eden Ring," the holy power and the power of the "sacred flames," you get drawn into the Lands Between, a lost and mysterious place between the world of the living and the world of the dead. There, you fight with a mythical sword and skillfully defeat monsters by using powers derived from the sacred flames. You live as an advisor to the king of Eeylus and experience the drama that unfolds as you meet the virtuous and the evil in this world. The story is multifaceted and unfolds with a mysterious rhythm. It is a multilayered story told in fragments. There are characters that intersect and have different thoughts. You can enjoy the world that surrounds you by interacting with the characters with whom you share the world of the living and the dead. At the same time, you can enjoy gaming even after the game is complete. You can freely change the appearance of your character, but as you develop your character, you will need to carefully select the character that suits you the best. A World A vast world that is full of excitement and large dungeons. The main adventure progresses smoothly. 1. The Lands Between, a world where the souls of the dead live. 2. Your Kingdom, a kingdom that is in a state of rebuilding. 3. Eeylus, a land that is full of secrets and full of mysteries. 4. The World Below, a hell dimension. ■ The Lands Between: A bustling city with a peaceful atmosphere. The Souls of the Dead live here and the citizens of the land maintain their own traditions and values. A large overgrown

[The file name you receive after placing the order is the Name you will receive in-game] The base game is being shipped When the starter pack is completed, only two more are required The game is in progress Print PDF File Img File Elden Ring is a fantasy action RPG where you play as a single adventurer. Prepare for a journey through a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Numerous types of monsters including powerful bosses are scattered in the Lands Between, a realm just above Earth. To manage the population of monsters that were released by the monsters' decay, giant Elden Lords are assembled. Elden Lords are power-hungry beings who have survived by utilizing the battle power that they absorbed during their life as a monster. Elden Lords use a variety of weapons to exert their power over the Lands Between, engaging in battles with other Elden Lords to increase their strength and drive their subordinates to greater heights. After the process is complete, you get to choose your gender, appearance, and class. You can freely combine the weapons, armor, and magic that you equip.
