Disclaimer: The specifications of the N9200 are derived from blue, bluewood, bluewor; ROM-311-8222; 16GB; UWhile searching on Google while on a trip to Brussels recently, I had the fun of watching my mom's 4-year-old youngest daughter, happily pulling the pages of Google's search results together, and finally making a collage. She immediately sent me the picture, and I am sharing the image with you today. She has a knack for finding fascinating connections, and I am most certainly no exception! While visiting the lovely city of Brussels, she was looking for directions to a specific shop, and instead found it's record collection! I love her ability to find the magic of the unexpected, and am inspired by her playful approach to learning. If you'd like a fun and easy way to introduce kids to Google search, there is an interactive scavenger hunt where they'll find interesting stories in the right Google search results. You can play it here: (it's not my site, but I'd love it if you'd play along!) Does your child ever search for things you don't know about? Do they have a special knack for finding the interconnections between ideas? I hope this little collage inspires you to create some of your own searches with your kiddos! When I was a child, I loved watching 'The Loretta Young Show' on TV, starring my mom. Loretta was a beautiful, talented actress, and a very sweet woman. She certainly is missed, and I thought it would be fun to share her show with you today. Do you have a sweet tooth? I
